RE: Application for Insurance Producer License

This letter is to notify you that your application to renew your licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application to renew your individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on November 30, 2023. On the application, you answered "Yes" to the question 1B concerning felony convictions. You provided records showing that you were arrested for, or found guilty of, the following criminal actions: Felony Criminal Damages. You also answered "NO" to question 2, regarding past administrative actions. However, in reviewing your application, it was discovered that you failed to timely disclose an administrative action taken against you in the State of Florida. It was also discovered that you failed to report your felony conviction on your initial application.

Based on the above information, your application is denied because you have been determined not to be in good standing under ARSD 20:06:01:03 and based upon SDCL 58-30-167 (1),(2),(6),(8), &(9) for providing incorrect, misleading, incomplete, or materially untrue information in the license application; violating any insurance laws or rules; having been convicted of a felony; using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere, and for having an insurance producer license, or its equivalent, denied, suspended, or revoked in any other state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Sincerely,

Tony Dorschner
