RE: Application for Insurance Producer License

Douglas,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an insurance producer application to the South Dakota Division of Insurance ("Division") on February 26, 2025. On the application, you answered "Yes" to question number 1b regarding felony convictions and "NO" to question 2 regarding administrative actions. You disclosed a felony conviction in 2025. In 2024, you were subject to an administrative action in Oregon where your license was suspended.

Based on the above information, your application is denied pursuant to SDCL 58-30-167(2)(6)(8) & (9).

This denial is considered an administrative action and will be reported to the database maintained by the National Association of Insurance Commissioners. You may be required to report the action in accordance with the timeframes and requirements of each state in which you hold an insurance license.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within 30 days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your license application.

Sincerely,

Tony Dorschner  
Assistant Director  
South Dakota Division of Insurance  
Department of Labor and Regulation
