RE: Application for Insurance Producer License

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for a non-resident insurance producer license to the South Dakota Division of Insurance ("Division") on February 25, 2025. On your answers to the application questions, you answered "Yes" to the question 1B concerning felony convictions. You provided documentation which shows that you have been charged with or found guilty of Felony Possession of a Controlled Substance, in 2024 and you will be on probation until October 2027.

Based on the above information, your application is denied because you have been determined not to be in good standing under ARSD 20:06:01:03 and for violating any insurance laws or rules and having a felony conviction under SDCL 58-30-167(2)(6).

This denial is considered an administrative action and will be reported to the database maintained by the National Association of Insurance Commissioners. When an administrative action occurs, an insurance producer may be required to report the action to all states in which an insurance license is held in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your renewal application for licensure.

Sincerely,

Tony Dorschner

Assistant Director

South Dakota Division of Insurance
