

**REGULATORY SETTLEMENT AGREEMENT**

This Regulatory Settlement Agreement (“Agreement”), including Exhibits, is entered into as of this 28 day of April 2015, by and among American Modern Insurance Group, Inc., on behalf of itself, its insurance company subsidiaries listed in **Exhibit 1** of this Agreement, and any successors thereto (collectively, the "Company"); and the Departments of Insurance of Ohio, Indiana, Washington, and the Departments of Insurance of the Signatory States (collectively, the “Departments”). Together, the Company and the Departments are the “Parties.”

**I. RECITALS**

1. The Company voluntarily reported to its domiciliary State, the Ohio Department of Insurance (“Ohio Department”), in October and November 2012, and subsequently to each subsidiary’s domiciliary State, including Florida and Oklahoma, for the issues which are the subject of this Agreement.

2. As part of its initial action, the Company requested a collaborative action designation from the Ohio Department as the Company transacts business in all 50 States. Since that time, the Company has provided the Ohio Department with regular, periodic status updates outlining its progress with respect to its implementation of the Correction and Compliance Action Plan (“Plan”), incorporated herein by reference.

3. The Ohio Department subsequently notified all other jurisdictions of the Company’s self-disclosure and corrective action through the National Association of Insurance Commissioners’ (“NAIC”) Market Information Systems.

4. The Company’s self-evaluation revealed an issue with respect to potential charges in excess of the filed and/or approved rates for its lender-placed products (i.e. Blanket Mortgage Security (“BMS”) and Collateral Protection Insurance (“CPI”)), and corrections to its

## MARKET CONDUCT COLLABORATIVE ACTION

commercial single interest products (i.e. Lender Single Interest (“LSI”) and Vendor Single Interest (“VSI”)).

5. This Agreement sets forth the required corrective and compliance action which the Company has taken and will take pursuant to the Plan to address the identified issues which are the subject of this Agreement.

### II. AGREEMENT

1. As a result of its self-evaluation and voluntary disclosure, the Company states and affirms that, pursuant to this Agreement, it is implementing a Correction and Compliance Action Plan that encompasses the following action:

- a. Financial Institutions Division (“FID”) Management restructuring and addition of company resources to segregate lines of authority;
- b. Review and revision of internal procedures and protocols, including enhancement of underwriting and rate verification controls, to track, confirm, and verify that master policy and certificate data conforms to each state filing (which includes all new business issued on or after November 27, 2012);
- c. Remediation of policies:
  - i. The Company has remediated all impacted in-force policies as of April 1, 2013 for its BMS and CPI products such that all active master policies are compliant for charges not in excess of the applicable filed rates. The Company has implemented a process and procedure to address previously-identified rates that were less than the filed rates to bring them into conformance with previously-approved forms for BMS and CPI master policies;

## MARKET CONDUCT COLLABORATIVE ACTION

- ii. The Company updated its LSI/VSI commercial product to increase coverage limits and clarify the types of collateral and other provisions of coverage. The Company has cancelled and rewritten its LSI/VSI products which were written between June 1, 2013 and August 1, 2014 such that all active policies are compliant;
  - d. Development and ongoing implementation of a standard data file layout for agents to promote uniform coverage code reporting and provide all underwriting data elements necessary to verify rates. Additionally, the Company has undertaken a retrospective review (completed December 29, 2014) for the correction of prior company code inaccuracies related to premium allocation for years 2009 – 2013;
  - e. Remediation of identified material control weakness within FID related to use of proper rates and premium allocation through design and implementation of controls deemed critical for NAIC Annual Financial Reporting Model Regulation; and
  - f. Implementation of a policy administration system designed specifically for FID, and development and implementation of interim rate verification processes for FID products.
2. The Company has developed a resolution process to estimate charges in excess of applicable filed and/or approved rates for BMS and CPI products and implemented the Plan, which includes a claim process to provide eligible borrowers with the opportunity for payment of any identified and verified charge that may have exceeded the applicable filed and/or approved rates on BMS and CPI master policies. An eligible borrower is defined to mean any person or

## MARKET CONDUCT COLLABORATIVE ACTION

entity other than an insured lender, creditor, or servicer, who is identified in the Company's records as having an interest in a mortgaged property that is the subject of a lender-placed certificate of insurance issued on behalf of the Company, if that certificate transaction assessed a premium charge in excess of a de minimis amount above the applicable rating plan, based upon preliminary calculation of the force-placed BMS and CPI rating charges that may have exceeded the filed and/or approved rates during the Look-Back Period,<sup>1</sup> except those charges that have since been determined by the Company to be accurate. For purposes of this Plan, the de minimus amount shall be \$25 for BMS residential borrowers, at least \$50 for BMS commercial borrowers, and at least \$25 for CPI residential and commercial borrowers. Other than the corrective action noted in section 1(c)(ii) above, no resolution process is necessary or warranted for the LSI/VSI product.

3. The Company agrees to pay eligible borrowers the verified benefit as determined by an independent third party administrator ("TPA"), according to the procedures set forth in this Agreement. The Company shall also pay interest of 3.70 percent on any eligible borrower claim that is determined to be payable as part of the claim process, unless the law of a specific State calls for a different rate of interest to be applied to refunds of property/casualty premium. Interest will be calculated from the date the impacted certificate transaction occurred through the earlier of either: (i) the date the benefit payment is paid to the borrower; or (ii) the conclusion of the three (3) year period as discussed herein.

4. The Company will establish payment procedures under this Agreement and provide regular reporting to the Departments regarding key processing components such as response rates, claims made, claims paid, claims rejected, and notices returned. The payments to claimants under this paragraph shall be made as follows:

---

<sup>1</sup> The Look-Back Period is defined as January 1, 2009 to March 31, 2013.

MARKET CONDUCT COLLABORATIVE ACTION

- a. As of June 30, 2014, the Company executed an initial mailing of the Borrower Notice and Claim Form (attached hereto as **Exhibit 2**), to eligible borrowers.
  - b. After the notice is received, each eligible borrower has the opportunity to submit a claim within ninety 90 days of the date of the mailing to initiate the claims review process. The Company will provide a follow-up notice allowing for an additional 90 days beyond the original 90-day deadline for claim submission.
  - c. Following receipt of a timely claim, the TPA will conduct claim reviews and make determinations. In the event a claim decision is challenged, the TPA has established an appeal process to have any such contests reviewed again.
  - d. Following the claims review process, the Company will remit payment of any verified benefit to the eligible borrower from a Fund, described herein.
5. In accordance with and defined in the Plan, the Company agrees to establish a Fund of \$20,381,997 from which all BMS and CPI claim payments will be made.
6. For purposes of this Agreement only, the Company agrees that monies remaining in the Fund at the conclusion of all outstanding BMS and CPI claims will be considered unclaimed property subject to escheatment as to each Participating State pursuant to the unclaimed fund/escheatment laws of each Participating State. This paragraph shall not apply to Participating States that elect, on the State RSA Adoption Form (**Exhibit 4**), to implement a separate method for return of monies remaining in the Fund.
7. Neither this Agreement, nor any act performed or document executed pursuant to or in furtherance of this Agreement, are now, or at any point in the future, deemed to be an admission of or evidence of liability or any wrongdoing by the Company.
8. The Parties agree that this is a compromise of a disputed claim, and that this

## MARKET CONDUCT COLLABORATIVE ACTION

Agreement is entered into without admitting any liability, which liability is expressly denied, and without agreement by any party to any of the allegations made by another party.

9. The Departments agree that this Agreement fully resolves any and all claims with respect to the matters encompassed within the scope of this Agreement.

### **III. ADMINISTRATIVE PENALTY, EFFECTIVENESS OF THIS AGREEMENT, AND EXAMINATION**

1. The Company agrees to pay an Administrative Penalty in the amount of up to twenty-four (24) million dollars.

2. Due to the Company's voluntarily self-reporting of the issues which are the subject of this Agreement, the Departments agree to waive fifty (50) percent of the Administrative Penalty defined in Section III, Paragraph 1 above, or twelve (12) million dollars.

3. If the Company implements the fully operational policy administration system as referenced in Section II, Paragraph 1 with all agents submitting transaction data using the standard data file layout, on or before March 31, 2016 as set forth and in conformance with Exhibit 2 of the Plan, the Departments agree to suspend fifty (50) percent of the twelve (12) million dollar Administrative Penalty described in Section III, Paragraph 2. The Company agrees to provide the Managing Lead State with a written certification of completion, completed by an officer of the Company, on or before March 31, 2016, indicating the Company has implemented the fully operational policy administration system as described in Section II, Paragraph 1. Therefore, the Company agrees to pay a minimum Administrative Penalty of six (6) million dollars in accordance with Section III, Paragraph 12, subject to any additional Administrative Penalties which may be assessed pursuant to Section III, Paragraphs 4, 5, and 16 of this Agreement.

4. Should the Company fail to provide a written certification of completion, as

MARKET CONDUCT COLLABORATIVE ACTION

described in Section III, Paragraph 3, to the Managing Lead State on or before March 31, 2016, the suspended six (6) million dollar Administrative Penalty referenced in Section III, Paragraph 3 will be reinstated. Payment of this reinstated Administrative Penalty will be made in accordance with Section III, Paragraph 13.

5. Should the Departments find upon completion of the examination discussed in Section III, Paragraphs 14 through 16, that the Company failed to implement the fully operational policy administration system as described in Section II, Paragraph 1, on or before March 31, 2016, the suspended six (6) million dollar Administrative Penalty referenced in Section III, Paragraph 3 will be reinstated. Payment of this reinstated Administrative Penalty will be made in accordance with Section III, Paragraph 16.

6. **Exhibit 3** of this Agreement sets forth the allocation of the Administrative Penalty which will be payable if all States execute the Agreement. Only those States that execute this Agreement as Lead States or deliver an executed State RSA Adoption Form to the Managing Lead State on or before the Effective Date, as defined in Section III, Paragraph 9 below, will receive a payment under this Agreement.

7. The effectiveness of this Agreement is conditioned on the following:

- a. Approval and execution of the Agreement by the Company and by the Lead States, which shall establish the Execution Date; and
- b. Approval and execution of this Agreement by at least 25 of the 51 States where the Company writes BMS and CPI, within the timeframe specified in Section III, Paragraph 7 below.

8. Each State seeking to participate in the payment allocation must deliver an executed State RSA Adoption Form to the Ohio Department on or before 45 calendar days after the

MARKET CONDUCT COLLABORATIVE ACTION

Execution Date. Each State submitting an RSA Adoption Form shall be known as a "Signatory State."

9. The Effective Date of this Agreement is 45 calendar days after the Execution Date, provided that at least 25 States have become Signatory States and the Ohio Department provides written notice to the Company that 25 States have become Signatory States. Each Signatory State's allocation of the Administrative Penalty will be a prorated amount based on each Signatory State's percentage of the Company's 2013 total written premium for BMS and CPI combined.

10. Following the Effective Date, the Managing Lead State will prepare an allocation table stating the percentage and amount of the Administrative Penalty that will be payable to each Signatory State.

11. The Managing Lead State will instruct the Company on each Signatory State no later than 15 business days after the Effective Date, unless the Company and Managing Lead State agree in writing to an extension.

12. Payment of the Administrative Penalty shall be made by the Company to the Signatory States within 15 business days of receipt of the payment instructions from the Managing Lead State unless the Company and Lead States agree to an extension. Payment shall be made as directed in each Signatory State's signed State RSA Adoption Form.

13. If the suspended six (6) million dollar Administrative Penalty referenced in Section III, Paragraph 3 is reinstated in accordance with Section III, Paragraph 4, payment shall be made as directed in each Signatory State's signed State RSA Adoption Form by April 15, 2016.

14. The Lead States will conduct an examination of the issues addressed by this Agreement. The examination will review all policies covered by the Plan with an effective date

## MARKET CONDUCT COLLABORATIVE ACTION

on or after January 1, 2016. The examination shall be conducted in accordance with the applicable examination law and regulations and the NAIC's Market Regulation Handbook and shall follow the standards which are consistent with the standards set forth in this Agreement.

15. The Lead States agree that the examination will not be commenced before April 1, 2016, unless the Managing Lead State determines that the Company has failed to substantially comply with a material provision of this Agreement.

16. If, after the examination described in Section III, Paragraphs 14 and 15, the Lead States determine that the Company has failed to substantially comply with a material provision of this Agreement, the Departments may assess additional Administrative Penalties. These additional Administrative Penalties, if any, will be made as directed in each Signatory State's signed State RSA Adoption Form upon conclusion of the examination.

### IV. MISCELLANEOUS PROVISIONS

1. To the extent permitted by State law, all audit reports, statistical reports, work papers, documents, and any other information produced, obtained, or disclosed in connection with the Plan, including, but not limited to, the Plan itself, regardless of the manner of production or disclosure, shall be given confidential and privileged treatment, shall not be subject to subpoena, shall not be made public, and are not public records subject to disclosure. Nothing in this Agreement is intended to, nor shall it, preclude Signatory States from disclosing the results of compliance with the Agreement to non-Signatory States that are in compliance with NAIC confidentiality agreements.

2. Each person signing on behalf of a Signatory State gives express assurance that, under applicable law, such person has authority to enter into this Agreement.

3. Any action or proceeding to enforce the provisions of this Agreement shall be

## MARKET CONDUCT COLLABORATIVE ACTION

governed by and interpreted in accordance with the laws and regulations of Ohio, without regard or reference to choice or conflict of laws rules.

4. The section headings herein are intended for reference and shall not by themselves determine the construction or interpretation of this Agreement.

5. To the extent not addressed in an existing consent order with a State, this Agreement represents the entire understanding between the Company and the Signatory States with respect to the subject matter hereof and supersedes any and all prior understandings, agreements, plans, and negotiations, whether written or oral, between the Company and any Signatory State.

6. This Agreement may be executed in one or more counterparts, all of which shall be deemed an original and all of which, when taken together, shall constitute one and the same Agreement. Execution and delivery of this Agreement may be performed by email or facsimile transmission.

7. In the event the Company believes it will be unable to meet a deadline under the Agreement or the Plan, the Company will promptly, but in no event less than five (5) business days prior to the deadline in question, inform the Managing Lead State. The Company will use its reasonable best efforts to meet any such deadline as soon as practicable. The Lead States and the Company agree to work together in good faith in all instances subject to this provision of the Agreement.

8. The Lead States and the Company may mutually agree, in writing, to any reasonable extensions of time that might become necessary to carry out the provisions of this Agreement.

9. Nothing contained in this Agreement shall confer any rights upon any persons or entities other than the Signatory States and the Company and is not intended for any other

MARKET CONDUCT COLLABORATIVE ACTION

purpose. Nor shall the Agreement be deemed to create any intended or incidental third party beneficiaries, and the matters addressed herein shall remain within the sole and exclusive jurisdiction of the Departments.

10. This Agreement shall be binding on and inure to the benefit of the Signatory States, the Company, and their respective legal representatives, successors, and assigns.

11. Except as otherwise provided herein, any notice required to be given to the Managing Lead State or the Company shall be sufficient if delivered in writing to the address below and if confirmation of delivery is obtained. Delivery may be made by facsimile transmission, courier service, hand delivery, or first-class certified or registered mail.

If to the Company:

American Modern Insurance Group, Inc.

ATTN: Mr. James T. Whittle, Esq.

7000 Midland Blvd.

If to the Managing Lead State:

Ohio Department of Insurance

MARKET CONDUCT COLLABORATIVE ACTION

Market Conduct Division

50 West Town Street, Suite 300

Columbus, Ohio 43215

12. In the event that any portion of this Agreement is held invalid under any particular State's law as it is relevant to a Signatory State, such invalid portion shall be deemed to be severed only in that State and all remaining provisions of this Agreement shall be given full force and effect and shall not in any way be affected thereby.

13. Except as specifically set forth herein, the Company understands and agrees that by entering into this Agreement, the Company waives any and all rights to notice, hearing, and appeal respecting this Agreement.

Date:  
Claim Number:  
Control Number:  
Certificate No.:  
Estimated Maximum Benefit: \$

### **BORROWER NOTICE AND CLAIM FORM**

Dear Claimant:

We are writing to you in connection with a rating and underwriting review conducted by American Modern Insurance Group (AMIG)<sup>1</sup> and its related companies at the request of our state insurance regulator(s) concerning lender-placed insurance policies. AMIG determined that it would review policies and the transactions issued under these policies that became effective between January 1, 2009 and March 31, 2013.

AMIG has agreed to conduct a review of these policies and where appropriate, provide you with an opportunity to submit a claim for payment up to the Estimated Maximum Benefit with interest.

You did not pay AMIG any premium for the lender-placed insurance coverage provided by these policies, but your lender or loan servicer may have deducted the charges for these premiums or taken other action to collect these amounts from you.

You are receiving this Notice and Claim Form because during our review we determined that your property was covered by a Certificate issued under a lender-placed insurance policy issued by AMIG to your lender, its successors and/or assigns ("the Insured") during this period. As a result, you may be eligible to participate in our claims process and may be eligible to receive payment up to the Estimated Maximum Benefit amount listed above with interest.

If you would like us to review your claim and determine if you are eligible for a payment with interest, you must **start the claims process** by taking any one of the following three actions:

- (1) returning this Notice and Claim Form using the pre-paid self-addressed envelope, OR
- (2) calling the Claims Administrator to confirm your identity using the toll-free number which is 866-821-8386, OR
- (3) going online to confirm your identity and submit a Claim Form at [www.AMIGClaimsAdministration.com](http://www.AMIGClaimsAdministration.com).

By participating in this process and receiving a payment, you will be asked to give up (waive) certain legal rights in the event an amount, as determined by AMIG, is paid to you. These rights are important and include the ability to pursue legal action. **Before you decide to give up any of your rights, you may wish to consult an attorney.**

In order to have your claim included in the process, please return your form within 90 days of the date of this letter.

If you have any questions regarding this letter, please contact the Claims Administrator toll-free at 866-821-8386, or email us at [info@AMIGClaimsAdministration.com](mailto:info@AMIGClaimsAdministration.com).

<sup>1</sup>The insurance policy that was issued by AMIG could have been issued by any of the following AMIG entities: 1) American Modern Home Insurance Company (in CA d/b/a American Modern Insurance Company); 2) American Modern Select Insurance Company; 3) American Family Home Insurance Company (in CA d/b/a AFH Insurance Company); 4) American Southern Home Insurance Company; or 5) American Western Home Insurance Company.

**EXHIBIT 3**  
**ALLOCATION OF ADMINISTRATIVE PENALTY**

The following chart demonstrates the amount payable to each Signatory State if all States execute the RSA. Each Signatory State's allocation of the Administrative Penalty will be a prorated amount based on each Signatory State's percentage of the Company's 2013 total written premium for BMS and CPI combined. The final distribution schedule and percentage allocations will be prepared after the total number of Signatory States is finalized.

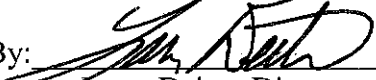

MARKET CONDUCT COLLABORATIVE ACTION
