RECITALS

WHEREAS, the Departments have regulatory jurisdiction over the business of insurance conducted in their respective jurisdictions, including the authority to conduct market conduct examinations;

WHEREAS, the Departments are the Lead and Participating Departments in the Multi-State Examination that was called to assess the Company's settlement practices, procedures and policy administration relating to claims, and the use of the Social Security Death Master File ("**DMF**") or similar database or service, including the Company's efforts to identify the owners and beneficiaries of unclaimed Proceeds;

WHEREAS, based upon the information gathered to date, the Departments have identified concerns regarding the adequacy of the Company's policies and procedures to ensure that life insurance policies, annuities and Retained Asset Accounts are timely paid to Beneficiaries and are timely reported or remitted in accordance with the Unclaimed Property Laws and the Insurance Laws;

WHEREAS, the Company denies any wrongdoing or activities that violate any Insurance Laws in the jurisdiction of each Department or any other applicable laws, but in view of the complex issues raised and the probability that long-term litigation and/or administrative proceedings would be required to resolve the disputes between the Parties hereto, the Company and the Departments desire to resolve the differences between the Parties as to the interpretation and enforcement of Insurance Laws and all claims that the Departments have asserted or may assert with respect to the Company's claim settlement practices related to the use of the DMF;

WHEREAS, the Company represents that it first used the DMF in the late 1990's to search for lost policyholders and subsequently began to make periodic searches of the DMF in 2003 for purposes of identifying certain deceased annuitants and that in 2011, in response to the

The Company further represents that it investigated policies and potential matches that were not required under the 308 Request for Special Report and went to great lengths to investigate and pay all claims, incurring substantial expense;

WHEREAS, the Company represents that it has always begun the claims process and paid all benefits due whenever it received notice of a death through its ad hoc or periodic use of the DMF and that since 2012 the Company has conducted quarterly DMF searches of all in-force policies consistent with New York Insurance Regulation 200;

WHEREAS, the Departments assert that the Company's asymmetrical check of the DMF prior to 2011 was inconsistent with certain obligations under the Insurance Laws; and

WHEREAS, the Company has cooperated with the Departments and their examiners in the course of the Multi-State Examination by making its books and records available for examination, and its personnel and agents available to assist as requested by the Departments and the Company represents that at all times relevant to this Agreement, the Company and its officers, directors, employees, agents, and representatives acted in good faith.

- i. The Company shall establish policies and procedures to ensure that:
 - i. With respect to any Annuity Contract for which an Exception does not apply, at least two (2) first class mail letters are sent to an Annuity Contract Owner, with the first letter mailed no less than forty-five (45) days and the second letter (if no response to the first letter is made) no less than twenty (20) days prior to the Maturity Date of an Annuity Contract that: (a) identifies the options available to the Beneficiary (e.g., annuitization, extension of the Maturity Date; surrender of the Contract);and (b) notifies the Annuity Contract Owner that an extension of the Maturity Date requires affirmative consent;
 - ii. If any letter described in 2(i)(i) above is returned as undeliverable, the Company shall promptly conduct research to locate a more updated or accurate mailing address using a national online search or locator tool such as Lexis Nexis or Accurant or other comparable database and

send a final first class letter to the Annuity Contract Owner at the address, if any, found by the Company using such database service;

- iii. An affirmative request by an Annuity Contract Owner or authorized representative shall be required by the Company before a Maturity Date is extended, and such request will be recorded in the Company's books and records;
