Dear Employer:

The Labor Market Information Center is conducting a prevailing wage survey for the bee worker occupation. This survey is conducted on an annual basis to comply with provisions of the Immigration and Nationality Act (INA). The INA requires employers seeking workers for seasonal (temporary) agricultural employment to pay both domestic and foreign workers a wage no lower than the highest of the following wage rates:

- ◆ Adverse Effect Wage Rate (AEWR), released by the U.S. Department of Labor
- ◆ Federal, state or local statutory minimum wage rate
- ◆ Prevailing wage rate for the occupation in the area of intended employment

Due to the fact employers must pay seasonal workers the highest of these three wage rates, a prevailing wage must be determined. This survey form was sent to your attention because employers who hire seasonal bee workers are the only source for this data. Please complete the enclosed *South Dakota Bee Worker Wage Survey* form and return it in the postage-paid envelope provided. The data you provide will be kept confidential. It will be aggregated with data collected from other employers to determine the prevailing wage rate for the bee worker occupation.

If you have questions or wish to respond by phone, please call the Labor Market Information Center at 800.592.1881 or 605.626.2314. When calling, please tell the receptionist you are calling about the bee worker survey.

Thank you for your time and cooperation.

Sincerely,

Derek Belden
