

Instructions for Finding South Dakota Labor Force Data in the Virtual Labor Market Data System

Begin at the menu page https://dlr.sd.gov/lmic/menu_labor_force.aspx and follow the link to the virtual labor market data system. Then follow the instructions below. (Chrome or Edge browser recommended; functionality in the virtual system is not compatible with Internet Explorer.)

If you need additional assistance or would like us to provide the data you need, please contact the Labor Market Information Center at 605.626.2314 or email melodee.lane@state.sd.us.

▶ Filter ▼  1. Click on "Filter."

Local Area Unemployment Statistics (LAUS)

▼ Refine Results

Find:

 Seasonally adjusted

More Info	Area	Time Period	Labor Force
-----------	------	-------------	-------------

State:

South Dakota

2. Click here if you also want national data.

Click anywhere outside a drop-down box to close it and continue with the next step.

Geography Type:

State

3. Click in the Geography Type box as needed to find data for a different area than the default of State. Then choose the area type(s) of interest.

Area Name:

Statewide

4. Then select the area(s) of interest. The table at the right will update based on your selections.

Select Areas By Map

If you prefer, you may click on "Select Areas By Map"

Select Time Period Type:

Monthly

5. By default, the most current monthly data is pre-selected. Click in the Time Period Type box as needed to find data for a different period type.

Select Time Period(s):

November, 2020

6. Then select the time period(s) of interest.
