

Instructions for Finding Median Household Income Data in the Virtual Labor Market Data System

Begin at the menu page https://dlr.sd.gov/lmic/menu_income.aspx. Under the “Income Data” heading, choose the following option:

- [Median Household Income](#) from the U.S. Census Bureau (available for the United States, South Dakota and Counties)

Then follow the instructions below. (Chrome or Edge browser recommended; functionality in the virtual system is not compatible with Internet Explorer.)

If you need additional assistance or would like us to provide the data you need, please contact the Labor Market Information Center at 605.626.2314 or email melodee.lane@state.sd.us.

After clicking on the link for “Median Household Income,” you should see the screen shown below. The most current South Dakota median household income data will already be displayed.
