Architecture
& Construction

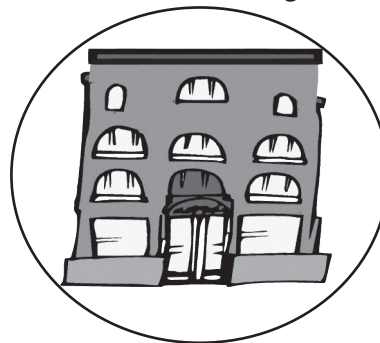

Architects create plans for places like homes, buildings, bridges and parks. They create places that are useful and safe. They also want them to look nice. They choose the building supplies. They draw detailed plans called blueprints.

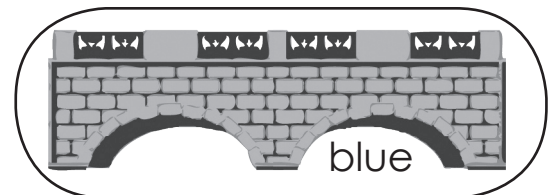

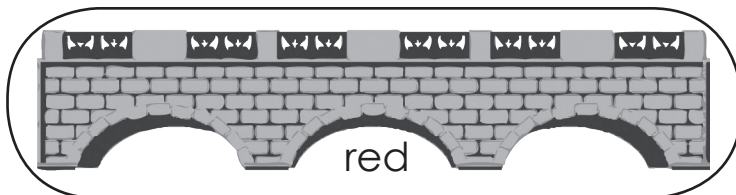

Draw a house that is **longer** than this one.

Circle the apartment building that is **longer**.

Use a blue crayon to circle the bridge that is **shorter**.
Use a red crayon to circle the bridge that is **longer**.
