Education &  
Training Cluster

**Coaches** in South Dakota teach student athletes. They help them learn to play a sport. Coaches who are also teachers are instead called teachers. These coaches teach the rules of the sport. They also help athletes improve their skills and techniques to help them win. Coaches may specialize in a variety of sports including basketball, football, gymnastics, track, soccer, swimming, tennis and wrestling.

Look at the chart below for a gymnastics competition. Draw the hands on the clock face to match the start and end times for each round. Write the total amount of time each round took on the line after the clocks.

Round	Event	Start Time	End Time	Start	End	Total Time
1	floor exercise	8:15	8:50			<u>35 minutes</u>
2	uneven bars	9:00	9:35			<u>35 minutes</u>
3	vault	9:45	11:05			<u>1 hour &amp; 20 minutes</u>
