# Career Peeks

## Hi! My name is Gabe.

I am learning about careers. Careers are jobs people have during their lives.

### What do you want to be when you grow up?

It is OK to not know. It is OK if you change your mind. There are so many choices! For now, it is fun to look at some careers.

Some pages have a cocoon on them. The words by the cocoon are names of career clusters. A career cluster is a group of careers that have things in common. Some careers fit into more than one cluster.

# Let's take a peek at what you can become!

# What do people in each cluster like to do?

## **Agriculture, Food & Natural Resources**

These people like to work with plants, animals, rocks or water.

## **Architecture & Construction**

These people like to draw or build things. They work on things like houses, bridges and buildings.

## **Arts, Audio/Video Technology & Communications**

These people like to be creative. Some write, dance, sing, act or draw.

## **Business Management & Administration**

These people like to run companies.

## **Education & Training**

These people like to teach new things and skills.

## Finance

These people like to work with money.

## Government & Public Administration

These people like to work for the public. They work to make lives better.

## Health Science

These people like to keep people and animals healthy.

## Hospitality & Tourism

These people like to help people when they go on trips or go out to eat.

## Human Services

These people like to help people, families and groups.

## Information Technology

These people like to work with computers.

## **Law, Public Safety, Corrections & Security**

These people like to keep people and places safe.

## **Manufacturing**

These people like to work with machines. They put things together.

## **Marketing**

These people like to sell things or services.

## **Science, Technology, Engineering & Mathematics**

These people like to solve problems and test things. They like to use math and science.

## **Transportation, Distribution & Logistics**

These people like to work with planes, trains, ships or vehicles. They move people and things.

Wow! I like to do a lot of these things!

How about you?

You have a long time to figure out what you like best. For now, let's look at some careers and see what you can become!
