Loan Officers meet with people applying for loans. They review applicants' financial records and figure out how much money they may be able to borrow. Loan officers work at banks, colleges and mortgage firms.

Figure out which applicant would be able to pay back a loan the soonest. Add the items in each group. Write your answer on the line next to each group. Circle the answer with the most money.

Applicant A

$$\text{\$} + \text{\$} + \text{\$} + \text{\$} = \begin{array}{l} \text{_____} \\ \text{-----} \\ \text{_____} \end{array}$$

Applicant B
