Do you have any careers in mind for your future? Do you plan to go to college or technical school after high school? What’s the big rush?” You have several years before you graduate from high school. Why worry about what you’re going to do after that?

Keep your options open!
A world of exciting career options await. You can prepare for those careers in many ways. It’s okay if you don’t know what you want to be. It is natural and even good not to focus on a specific career path at your age. You also don’t have to decide now whether you want to go to school after you graduate. But now is the perfect time to explore the possibilities and plan for high school.

Why worry about high school now?
With all the subjects you’ll need to take in high school and all the cool electives you can choose, it is important you plan what courses to take each year well ahead of time. Take as many courses as you can in high school while they are free, rather than paying for them in college!
