

South Dakota High Demand & High Wage Career

**Career Cluster: Agriculture, Food,
and Natural Resources**

Agricultural Equipment Operators

Standard Occupational Code 45-2091

What They Do

Drive and control equipment to support agricultural activities such as tilling soil; planting, cultivating, and harvesting crops; feeding and herding livestock; or removing animal waste. May perform tasks such as crop baling or hay bucking. May operate stationary equipment to perform post-harvest tasks such as husking, shelling, threshing, and ginning.

Is This For You?

Work Interests are described in the following categories (compatible with Holland's Model). People who tend to succeed in this career are:

Realistic (Doers) — Prefer to work with objects, things, machines, tools, plants or animals. They have mechanical ability, enjoy being outdoors and working with their hands.

Conventional (Organizers) — Detail oriented and organized. They like to analyze data, keep financial records and do research. They can be counted on to be accurate and enjoy structure and closure.

Work Values are aspects of work that are satisfying to you. The following work values are generally associated with this career.

Support — Supportive management that stands behind employees.

Independence — Allow employees to work on their own and make decisions.

Achievement — Results oriented, allow use of strongest abilities, and provide feeling of accomplishment.

Abilities reflect a person's aptitude to acquire skills and knowledge. The following abilities are important for success in the career:

- Control Precision
- Multi-limb Coordination
- Near Vision
- Depth Perception
- Far Vision
- Problem Sensitivity
- Arm-Hand Steadiness
- Oral Comprehension
- Rate Control
- Reaction Time

Basic Skills You Need

- Operation and Control
- Operations Monitoring
- Troubleshooting

Education & Training

While a high school diploma or equivalent may not be required, general work experience in the type of agricultural operation involved would be especially important without it. Postsecondary education in an appropriate ag field would be helpful.

A registered apprenticeship is another option for preparing for this occupation. To learn more, visit StartTodaySD.com or contact your local Job Service office to get started.

Recommended Levels* for the National Career Readiness Certificate

Applied Math	4
Workplace Documents	4
Graphic Literacy	4

*Using the median skill level.
