High Demand & High Wage Career

Career Cluster: Education and Training

Middle School Teachers, Except Special and Career/Technical Education

Standard Occupational Code 25-2022

What They Do

Teach students in one or more subjects in public or private schools at the middle or junior high level (generally students in sixth through eighth grade). They help students build on fundamentals they learned in elementary school and prepare them for high school. Subjects taught may include math, science and social sciences, among others.

Is This For You?

Work Interests are described in the following categories (compatible with Holland's Model). People who tend to succeed in this career are:

Social (Helpers) — Like to work with other people. They enjoy teaching, helping and curing people. They are good with words.

Artistic (Creators) — Are artistic and like change. They enjoy using their imagination, creativity, feelings and intuition. They like working in jobs where they are free to set their own schedule.

Work Values are aspects of work that are satisfying to you. The following work values are generally associated with this career.

Relationships — Allow employees to provide service to others and work with co-workers in a friendly, non-competitive environment.

Independence — Allow employees to work on their own and make decisions.

Achievement — Results oriented, allow use of strongest abilities and provide feeling of accomplishment.

Abilities reflect a person's aptitude to acquire skills and knowledge. The following abilities are important for success in the career.

- Oral Expression
- Oral Comprehension
- Speech Clarity
- Written Comprehension
- Speech Recognition
