High Demand & High Wage Career

Career Cluster: Human Services

Substance Abuse & Mental Health Counselors

Standard Occupational Code 21-1018

What They Do

Substance abuse, behavioral disorder and mental health counselors counsel and advise individuals with alcohol, tobacco or drug addiction or other problems, including mental health issues. May counsel individuals, families or groups or engage in prevention programs.

Is This For You?

Work Interests are described in the following categories (compatible with Holland's Model). People who tend to succeed in this career are:

Social (Helpers) — Like to work with other people. They enjoy teaching, helping and curing people. They are good with words.

Artistic (Creators) — Are artistic and like change. They enjoy using their imagination, creativity, feelings and intuition. They like working in jobs where they are free to set their own schedule.

Work Values are aspects of work that are satisfying to you. The following work values are generally associated with this career.

Relationships — Allow employees to provide service to others and work with co-workers in a friendly non-competitive environment.

Achievement — Results oriented and allow employees to use their strongest abilities, giving them a feeling of accomplishment.

Independence — Allow employees to work on their own and make decisions.

Abilities reflect a person's aptitude to acquire skills and knowledge. The following abilities are important for success in the career.

- Oral Expression
