

South Dakota High Demand & High Wage Career

Career Cluster: Education and Training

Elementary School Teachers, Except Special Education

Standard Occupational Code 25-2021

What They Do

Teach students basic academic, social and other formative skills in public or private schools at the elementary level. They teach basic subjects such as math, reading and science to help prepare students for further education.

Is This For You?

Work Interests are described in the following categories (compatible with Holland's Model). People who tend to succeed in this career are:

Social (Helpers) — Like to work with other people. They enjoy teaching, helping and curing people. They are good with words.

Artistic (Creators) — Are artistic and like change. They enjoy using their imagination, creativity, feelings and intuition. They like working in jobs where they are free to set their own schedule.

Work Values are aspects of work that are satisfying to you. The following work values are generally associated with this career.

Relationships — Allow employees to provide service to others and work with co-workers in a friendly, non-competitive environment.

Achievement — Results oriented, allow use of strongest abilities and provide feeling of accomplishment.

Independence — Allow employees to work on their own and make decisions.

Abilities reflect a person's aptitude to acquire skills and knowledge. The following abilities are important for success in the career.

- Oral Expression
- Deductive Reasoning
- Oral Comprehension
- Problem Sensitivity
- Speech Clarity
