South Dakota High Demand & High Wage Career

Career Cluster: Hospitality & Tourism

Food Service Managers

Standard Occupational Code 11-9051

What They Do

Responsible for the daily operation of restaurants or other establishments that prepare and serve food and beverages. They plan, direct or coordinate the activities of the food and beverage services provided.

Is This For You?

Work Interests are described in the following categories (compatible with Holland's Model). People who tend to succeed in this career are:

Enterprising (Persuaders) — Like to influence, persuade or lead people and manage others. They enjoy working on a team toward goals, competition and business-like activities.

Conventional (Organizers) — Detail oriented and organized. They like to analyze data, keep financial records and do research. They can be counted on to be accurate and enjoy structure and closure.

Work Values are aspects of work that are satisfying to you. The following work values are generally associated with this career.

Independence — Allow employees to work on their own and make decisions.

Relationships — Allow employees to provide service to others and work with co-workers in a friendly non-competitive environment.

Support — Offer supportive management that stands behind employees.

Abilities reflect a person's aptitude to acquire skills and knowledge. The following abilities are important for success in the career.
