

South Dakota High Demand & High Wage Career

Career Cluster: Health Science

Registered Nurses

Standard Occupational Code 29-1141

What They Do

Assess patient health problems and needs, develop and implement nursing care plans, and maintain medical records. Administer nursing care to ill, injured, convalescent or disabled patients. May advise patients on health maintenance and disease prevention or provide case management.

Is This For You?

Work Interests are described in the following categories (compatible with Holland's Model). People who tend to succeed in this career are:

Social (Helpers) — Like to work with other people. They enjoy teaching, helping and curing people. They are good with words.

Investigative (Thinkers) — Interested in science and logic. They like to analyze, evaluate and solve problems, and enjoy learning and understanding the causes of events.

Work Values are aspects of work that are satisfying to you. The following work values are generally associated with this career.

Relationships — Allow employees to provide service to others and work with co-workers in a friendly, non-competitive environment.

Support — Offer supportive management that stands behind employees.

Achievement — Results oriented, allow use of strongest abilities and provide feeling of accomplishment.

Abilities reflect a person's aptitude to acquire skills and knowledge. The following abilities are important for success in the career.

- Deductive Reasoning
- Problem Sensitivity
- Inductive Reasoning
- Oral Comprehension
- Oral Expression
- Written Comprehension
- Information Ordering

Basic Skills You Need

- Social Perceptiveness
- Active Listening
- Coordination
- Critical Thinking
- Service Orientation
- Speaking
- Judgment and Decision Making

Education & Training

A bachelor's degree in an accredited nursing program is recommended in South Dakota. Registered nurses must be licensed by the South Dakota Board of Nursing. For more information, visit <https://www.sdbon.org/>. Although completers of associate degree programs can pass the state Board exam, those with a bachelor's degree and equal qualifications are normally given preference in most hiring situations.
