Huron Career Center encourages hunters to make South Dakota their home

PIERRE, S.D. – As hunters flocked to the Huron area last weekend, the South Dakota Department of Labor’s (SDDOL) Career Center was enticing them to make their home there.

Information about the Dakota Roots program was distributed by SDDOL staff throughout Huron and the surrounding communities at key locations to target hunters. Employment representative Judy Eden visited with a group from Kentucky about the program at the Huron Career Center. “Everyone gets excited when they hear about Dakota Roots,” said Eden. “We have professional career opportunities to offer and people are impressed.”

Governor Rounds’ workforce development initiative, Dakota Roots, connects individuals to career opportunities so they can move to South Dakota to live, grow and build. For more information, visit www.DakotaRoots.com or call the Huron Career Center at 605.353.7155.
