Governor-elect Daugaard Announces Cabinet Appointment

PIERRE, S.D. – Governor-elect Dennis Daugaard today announced that [Pam Roberts](#), Secretary of the South Dakota Department of Labor has accepted his invitation to continue in her role in his administration.

“One of South Dakota’s key long-term challenges is ensuring that we have the skilled, educated workforce we need to build a stronger economy,” Gov.-elect Daugaard said. “As Secretary of Labor, Pam Roberts is already leading the charge to address our workforce needs, to help those who cannot find work, and to encourage young people to remain in or return to our state. I’m pleased that Pam has agreed to continue to serve in this role.”
