Bon Homme High School Career Expo

PIERRE, S.D. – The Department of Labor and Regulation (DLR) in partnership with Bon Homme High School (BHHS) will host a Career Expo at the BHHS gymnasium on Wednesday, March 8, 2023, from 8-11:30 a. m.

The BHHS Career Expo is designed to connect businesses with youth to help them explore potential career paths after graduation. Participating businesses will be able to introduce their industry and the skills needed to area youth exploring their post-secondary career options.

“Bon Homme High School is excited to host a career expo for area high school students,” said Paige Stewart, BHHS Guidance Counselor. “This is a fantastic opportunity for businesses and industries from Bon Homme County and surrounding communities to meet the next generation of employees. This will also be a good time to talk to students about summer employment.”

“Our goal of the upcoming youth career expo is to be as interactive as possible,” said DLR Career Advisor Julie Fleek. “Employers can show off what it means to work for their company and the career paths available and get area youth interested now to help fill the future talent pipeline.”

For more information or to register your business at no cost, contact Julie.Fleek@state.sd.us.
