Apprenticeship Knowledge Series: Grow Your Own RAP

PIERRE, SD – The Department of Labor and Regulation Start Today SD team is offering a free virtual Apprenticeship Knowledge Series on Thursday, Nov. 19, 2026, at 11:30 a.m. CST / 10:30 a.m. MST via Microsoft Teams.

The webinar, *The Foundations of Registered Apprenticeship*, is open to employers, education partners, community stakeholders, and current or prospective RAP sponsors and supervisors.

The session will outline how Registered Apprenticeships work, highlight their core components, and showcase how programs are being used across industries for both youth and adult learners. Participants will learn how schools, employers, and Start Today SD will collaborate to support apprentices, receive practical resources and guidance for getting involved, and enjoy interactive elements and opportunities to connect with the team.

Organizations and communities interested in exploring apprenticeships as a workforce solution are encouraged to attend. Whether a business is just beginning to explore an apprenticeship or is ready to take the next steps, the Start Today SD Team is prepared to support you every step of the way.

Registration is required. Visit tinyurl.com/dlr-workshops and select the calendar listing for the event. For additional information, contact the Start Today SD team at starttoday@state.sd.us or 605-610-7031.
