  - Schedule is more intended for pressure. There would have to be custom fabricated fittings for schedule 80, which can cost more. He would recommend the proposed rule add schedule 40.
  - The Commission attorney requested input from a plumbing inspector. Inspector Ron Healy stated he agreed with the recommendation to include schedule 40.
  - Agree to amend proposed rules to add schedule 40 by addition of the words "or 40" after "80" in the amended language of 20:54:02:01 (37) and Table 701.2.

#### Summary of Changes to Proposed Rules Because of the Public Hearing or Comment

- ARSD 20:54:02:01 (37)
  - Add "or 40" to the amended language and chart.
  - Public comment given by Andy Anderson.
