Chairman Roberts called the meeting to order.

Don Kattke updated the Council on the financial status of the South Dakota Unemployment Insurance Trust Fund and provided projections for trust fund income and benefits payable. The Council discussed the current trends and financial condition of the trust fund.

It was consensus of the Council that no changes to the system be proposed at this time. Another meeting will be held in February, before the end of the current Legislative session, to re-visit the financial condition of the trust fund and make a determination on further action.

Meeting was adjourned.
