# Create a mySD Profile/Log in to a mySD Profile

To log in to the RA Benefits Portal, you will need to either create a mySD profile or log in to your existing mySD account.

## Quick Start Guide to RA Benefits

Reemployment Assistance (RA) provides temporary financial assistance for people who have lost their job through no fault of their own until they find other employment. Review the information below to see how we can help.

1

Start Here

### Gather Required Documents →

Several documents and personal details are needed to complete your application. Review the information you'll need to provide.

2

### SD Account Set Up & Profile Registration →

Before you start your application, we need to verify your identity with a completed profile. Once you finish the registration process, you will be able to file a claim.

3

### Filing Your Claim →

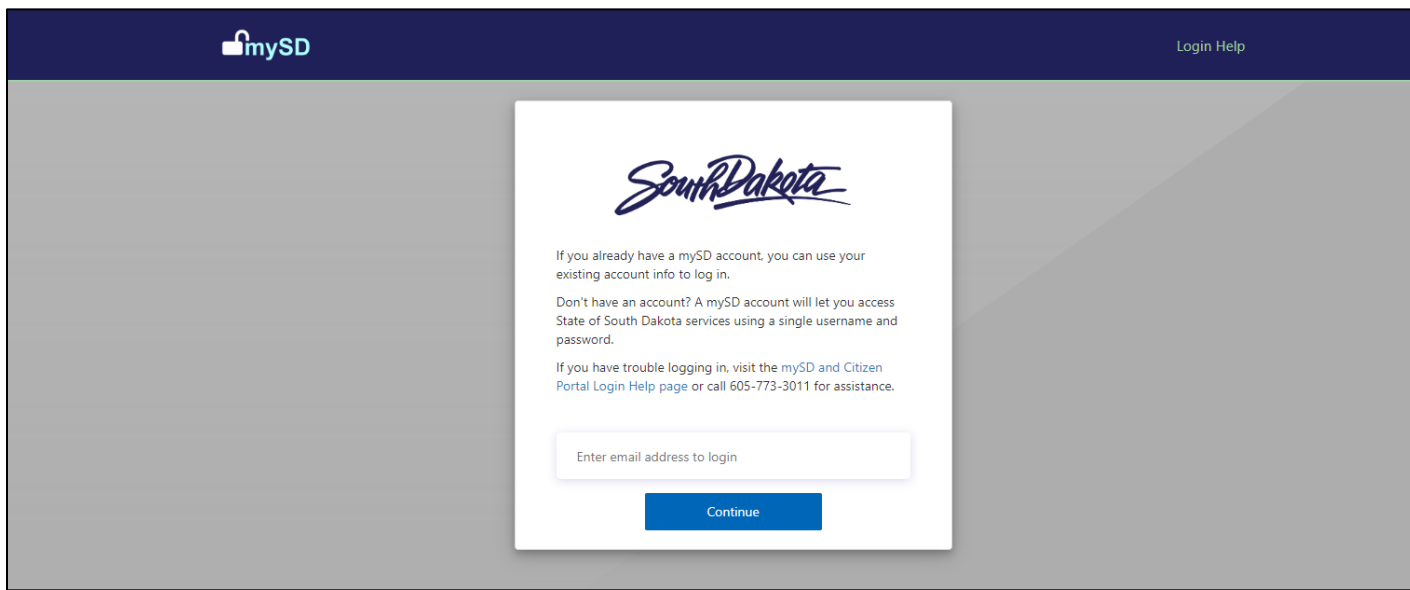

Once you've completed your registration and have your required details prepared, you're ready to file your claim.

Login

After gathering the required documents indicated in Step 1, **create a log in for or log in to mySD (the South Dakota Digital Citizen Portal)** by clicking on either Step 2 or the Login button.

You will be taken the mySD login screen.

- ***If you have already created a login in for mySD, enter your email and password to log in. Once logged in, you will be redirected back to the RA Benefits Portal.***
- ***If you have not created a profile for mySD, are not sure if you have a mySD profile, or are having issues logging into your mySD account, click on Login Help in the top right corner. A window will pop up with links to FAQs to assist with these questions and more.***

Once you have created/logged into your mySD profile, you will be directed back to the RA Benefits Portal to complete your RA Profile Registration.

mySD is the State of South Dakota's Single Sign-On (SSO) authentication strategy for sd.gov services. It allows users to login to available state services with one login.
