Appraiser’s Update
It is with a heavy heart that I write this article. In another article appearing in this issue you will read of the recent passing of the Commission’s legal counsel, Jim Robbennolt. My thoughts and prayers go out to his wife Mari, son Paul and daughter Kate.

I am keeping my article short this time because Jim didn’t like things long and drawn out. At Commission hearings, he’d be up against eloquent speaking attorneys. When it came Jim’s turn to cross-examine, he could ask one simple question of the witness and the answer, more often than not, would refute the prior testimony. The opposing counsels would just shake their heads.

Jim was a person that you classify as “one of the good guys”. He represented the Commission professionally and treated everyone with respect and fairness.

He was always there for me. We talked almost daily and I can just hear his remark of, “Aw, geeeez” when I’d tell him about a delinquent action of a licensee. And if he concurred with something I was saying, he would remark with, “There ya go!”

I’m really going to miss hearing Jim’s voice when I push Speed Dial Button #10 on my desk phone. Funny that I chose that number for him, but now I know why. He truly was a “10”. I am so thankful to have had the pleasure of working with him.

I will close with a quote that is fitting for Jim and the life he enjoyed. Abraham Lincoln who would have celebrated his 200th birthday this month said, “And in the end, it’s not the years in your life that count. It’s the life in your years.”

Farewell to a Friend

James Robbennolt, 62, of Sioux Falls, passed away on Tuesday, February 17, 2009. He was born February 16, 1947, in Pierre, to Bill and Betty Robbennolt. He attended Agar High School and played center for the varsity basketball team, which he led to two state tournaments. He graduated from AHS in 1965. He attended the University of SD from 1965 to his graduation in 1969, and was a member of Sigma Alpha Epsilon Fraternity.

Jim married Mari Becker in 1967. They have two children, Paul (Jennifer) Robbennolt and Katie (Steve) Deters, both of Plymouth, MN and four grandchildren, Joe, Jack, and Will Deters and Nathan Robbennolt.

From 1969 to 1973, Jim served his country as an officer and helicopter pilot in the U.S. Army. He served in Vietnam in 1970 and 1971 with the 7th of the 1st Air Cavalry, 1st Aviation Brigade. By flying helicopters, he followed in the footsteps of his father, who was a P-61 night fighter pilot during World War II.

After his years of military service, Jim attended law school at USD, graduating in 1976. He was a trial lawyer with the Olinger Law Firm in Pierre from 1976 until 2002; in 2002 he started his own law firm in Sioux Falls. He was a respected member of the South Dakota legal community.

One of Jim’s favorite hobbies was woodworking. He started building furniture and other items in the 1970s. He improved his skills, and his tool collection, over the years. He built dozens of beds, rocking horses, and toys for his children, grandchildren, and the other children in his life.

Jim was devoted to his family and adored his four grandsons. He and Mari delighted in planning activities for their grandchildren, from Camp “Mimi-Papa” and the Butterfly House to Thunder Road Go-Kart racing and Sioux Falls Canaries games. Papa’s woodworking shop was paradise for his grandchildren; they could play with toy trains, talk with Papa, help him build things, or just crack and eat mixed nuts.

Jim was a truly generous person who loved to make his family happy, especially his grandchildren. He had a great sense of humor and relished telling stories (which often revealed his mischievous nature). He was much loved and will be greatly missed.

Licensees Face Disciplinary Action for Failing to Notify Commission

When a licensee changes offices, a Change of Address/Association Form must be submitted to the SDREC along with a $15 fee for each license that is being transferred within 10 days. The SDREC office has been receiving these forms that are weeks, or in some cases, months after the licensee has transferred to another office.

Written notice of change of association is required by state law. SDCL 36-21A-52 requires this notice be registered with the Commission within 10 days. Failure to comply with this requirement may result in disciplinary action and/or a fine for both the responsible broker and the licensee who is switching offices.

The form must be signed by the releasing broker, the new broker and the licensee who is changing offices. It is available on the Commission website at www.state.sd.us/sdrec under Real Estate Forms.

The (Not Only For) Responsible Broker’s Course

All broker associates are encouraged to take the 15-hour responsible broker course, even those not seeking to open their own offices or become a responsible brokers. This course is approved for 15 hours required education and provides training in important areas such as brokerage management, trust accounting, risk management and office policy manuals. Not only does it provide the management tools for licensees looking to run their own offices, it also offers insight to broker associates on what to expect from their responsible brokers.
Idaho, Montana, Wyoming End Reciprocal Licensing Agreements

The Idaho, Montana and Wyoming real estate regulatory agencies have recently decided to end their reciprocal licensing agreements with other states, including South Dakota.

Residents of Idaho, Montana and Wyoming who hold South Dakota real estate licenses will now be required to comply with South Dakota’s continuing education requirements. It is likely that South Dakota residents holding licenses in these states will also have to comply with their respective education requirements. Licensees affected by these changes should contact the regulatory agencies in these states to determine any additional education or licensing requirements that may now be required.

Another legislative session will soon wrap up in Pierre resulting in significant changes to real estate education. House bills 1115 and 1116 were signed into law by Governor Rounds and will affect people applying for a broker associate license.

Beginning July 1, 2009, any person seeking initial licensure as a broker associate will need to complete 116 hours of pre-licensing education, an increase of 16 hours from the current 100-hour requirement.

Also beginning July 1, new broker associates will need to meet post-licensing education requirements for their first two licensing periods. The law will require completion of 60 hours of post-licensing education – 30 hours to be completed by the first license renewal and another 30 hours to be completed by the second license renewal. These 60 hours will comprise of courses on specific topics, determined by the Commission and outlined in administrative rule. The post-licensing education requirement will take the place of continuing education for these new licensees for their first two licensing periods. After the completion of the post-licensing courses, these licensees would then be required to follow the continuing education requirements already in place, beginning with their third licensing period.

It is important to note that these new laws will affect broker associates that are initially licensed on or after July 1, 2009.

Current licensees and people licensed before July 1 will not be affected by these changes. Continuing education requirements already in place will not change for existing licensees.

The SDREC has developed work groups consisting of staff, commission members, licensees and educators to develop the guidelines for these changes, which will ultimately be incorporated into the administrative rules.

These new requirements will work hand-in-hand to strengthen the overall education program and address the increasing complexity of today’s real estate environment. The longer pre-licensing course will allow more time to be spent on subject matter. The post-licensing education requirement will provide new, inexperienced licensees with a more standardized and directed path of study and reinforce the subject matter learned in the pre-license course.

The work groups will also discuss other issues related to real estate education, such as guidelines for pre-license course curriculum as well as instructor qualifications.

As part of this process, there will be a public hearing where the Commission will consider comments and input by licensees and the general public regarding the administrative rule changes. This information will be posted on the Commission website and in future newsletters.

Questions regarding education may directed to the SDREC office at (605) 773-3600.

Legislative Update

The following bills have been approved by the legislature and signed into law by the Governor. These new laws will take effect on July 1, 2009. For more information, log on to the Legislative Research Council website at www.legis.state.sd.us or contact the SDREC office at (605) 773-3600.

- HB1094 – require applicants for new licenses and licensees subject of a disciplinary investigation to submit to a state and federal criminal background check, which will include fingerprint cards.
- HB1095 – include the improper influence of a real estate appraiser by a real estate licensee to the acts constituting unprofessional conduct.
- HB1114 – allow brokers to form certain business entities under certain conditions. This is a housekeeping bill to clarify the language of SDCL 36-21A-46.1, which allows for licensees to form corporations solely for the purpose of collecting commissions. Brokers were not included in the law as originally enacted; HB1114 adds brokers to this law.
- HB1115 – increase the pre-licensing education requirement for broker associates to 116 hours. See the Continuing Education Corner column for more info.

- HB1116 – require 60 hours of post-licensing education for new broker associates during their first two licensing periods. See the Continuing Education Corner column for more info.
- HB1205 – permit an applicant for a responsible broker's license to complete the required fifteen hours of education beyond the broker associate level after licensure as a responsible broker. The broker associate must meet all other requirements for responsible broker before application and must complete the 15-hour responsible broker course within 6 months of the Commission’s approval. This law will allow for a broker associate to step into the role of Responsible Broker in extreme circumstances such as the death, illness or sudden retirement of a broker. The Commission will determine approval on a case-by-cases basis.

Additional updates regarding the legislative session will be included in the April/May SDREC newsletter.

Disciplinary Action

The following disciplinary actions have become effective since the last report in the newsletter. A Stipulation and Assurance of Voluntary Compliance is a settlement agreement between licensees and the Real Estate Commission and constitutes neither an admission nor a denial of any violation.

- Terry Cameron, Sioux Falls, Broker. Findings of Fact, Conclusions of Law, and Order. Revocation of license; penalty of $2,500 and costs of $2836.15. Violation of SDCL 36-21A-71(5);(15);(31) and (32). Cameron committed unprofessional conduct by commingling trust funds with his own funds.
- Scott Lloyd, Sioux Falls, Property Manager. Revocation of license; penalty of $2,500 and costs of $9,026.35. Violation of SDCL 36-21A-71(1), (3), (4), (5), (15), (30), (31), (32) and (34) and SDCL 36-21A-82. Lloyd has committed
unprofessional conduct by commingling trust funds with his own funds, failure to account for trust funds, issuing an insufficient funds check, substantial and willful misrepresentation with reference to a transaction and for failure to remit sales and services taxes on behalf of his principals to the State of South Dakota.

APPRAISER UPDATE

This section of the South Dakota Real Estate Review is the responsibility of the South Dakota Department of Revenue and Regulation Appraiser Certification Program. Articles are printed here to communicate pertinent information to those appraisers who receive this newsletter and are licensed under the Certification Program. Appraiser certification inquiries can be directed to Sherry Bren, Program Administrator, 445 E. Capitol, Pierre, SD 57501, 605-773-4608.

Appraiser Certification Program Mission – Purpose – Intent

The Appraiser Certification Program was implemented July 1, 1990, pursuant to enactment of Title XI of the Financial Institutions Reform, Recovery and Enforcement Act (FIRREA) by Congress. The purpose of the Program is to certify, license and register appraisers to perform real estate appraisals in the state of South Dakota pursuant to Title XI (FIRREA). The purpose of the Program is to examine candidates, issue certificates, investigate and administer disciplinary actions to persons in violation of the rules, statutes and uniform standards, and approve qualifying and continuing education courses. Title XI intends that States supervise all of the activities and practices of persons who are certified or licensed to perform real estate appraisals through effective regulation, supervision and discipline to assure their professional competence.

Appraiser Certification Program Advisory Council

Council members provide recommendations to the Secretary of the Department of Revenue and Regulation in the areas of program administration in order to sustain a program that is consistent with Title XI. The Council meets quarterly in public forum. See the Website for meeting information. www.state.sd.us/appraisers

Important Notice

Appraiser Certification Program Supervisors & State-Registered Appraisers

On January 1, 2009 new rules were effective for supervising appraisers and state-registered appraisers being supervised. See our Website at www.state.sd.us/appraisers for changing requirements. It is important for you to review the changes to become familiar with the new requirements.

After January 1, the new Appraiser Supervisor Endorsement (for supervisors) or the Application to Register Supervisor Appraiser/Supervisor Agreement (for state-registered appraisers) must be submitted and approved before any supervision occurs.

Both supervising appraisers and state-registered appraisers are responsible for affirming the Department’s supervisor/state-registered applicant registration. For confirmation, see the Supervisor Log link on our Website.

Both the supervising appraiser and state-registered appraiser must attend and successfully complete a Department approved training course before or within 90 days after supervision begins. A reasonable extension for completing the training course may be granted by the Secretary upon written request. Verification of successful completion must be submitted to the Department.

The first offering of the training course (SD Supervisor Program Course) was held on January 23, 2009.
