7. LOSS DATA

Provide a history of all self-insured South Dakota losses and claim counts by accident year that have occurred up to 12/31/23, going back 12 valuation (accident) years. If applicant has not been self-insured for 12 years, provide the experience covered by private insurance if available. An accident year consists of all claims occurring during a 12-month period regardless of when the claim is reported. Please provide the following through each valuation date:

- Total number of closed counts on a **cumulative** basis
- Number of open claims on an **incremental** basis
- Total value of paid losses on a **cumulative** basis
- Total estimated case reserves on an **incremental** basis

For example, if accidents occurred in 1998 and \$500 had been paid on the claims by December 31, 1998, enter \$500 in the 1998 row under the 12/31/98 valuation date column. If during 1999, an additional \$250 was paid for accidents occurring in 1998, and \$1,000 for accidents occurring during 1999, then the following entries would be made under the 12/31/99 valuation date column: \$750 in the row for the accident year 1998 (\$500 from the preceding column plus \$250 paid during 1999) and \$1,000 in the row for the accident year 1998.

Accident

Year	12/31/1997	12/31/1998	12/31/1999
1997			
1998	XXXXXX	500	750
1999	XXXXXX	XXXXXX	1,000

Note: This cumulating process does not apply to the number of open claims or the outstanding case reserves. Other year valuation dates and other 12-month accident periods can be used if desired instead of those indicated as long as the changes are applied uniformly and indicated clearly.

Please be aware that if you choose to provide reported data too, it should be on a cumulative basis. Also make sure that for each specific entry, the sum of the case reserves and paid losses should equal the respective entry in the reported data. The same applies for paid, open and reported counts.

Applicant agrees to fully discharge the obligations required by the provisions of the Workers' Compensation Law.

The applicant further understands and agrees that:

The self-insurance privilege extended upon approval of this application applies only to the applicant and such businesses or subsidiaries that are included in this application.

Other businesses and subsidiaries may be included in the future under the applicant's self-insurance privilege upon written approval by the Department of Labor and Regulation. After submitting such fees and financial information, and entering into any indemnification that the Department of Labor and Regulation may require, approval may be granted.

The self-insurance privilege extended upon approval of this application will expire and terminate if the applicant is sold, merged, dissolved or otherwise changes its ownership interest to the extent that the financial conditions upon which approval was extended can no longer determine the applicant's financial ability to pay compensation benefits promptly in accordance with the law.

The South Dakota Department of Labor and Regulation must be notified immediately of any changes in corporate structure, service company contracted with for handling claims or loss control, changes in in-house personnel administering the program, or any changes in South Dakota locations included in this authority.

Failure to comply with any laws, regulations, rules or requirements as set out by the South Dakota Codified Laws, this application, or the South Dakota Department of Labor and Regulation may result in revocation or suspension of the privilege to self-insure.

Any employer wishing to continue to self-insure its workers' compensation liabilities under the provisions of Title 62 of the South Dakota Codified Law must annually furnish a statement of his or her financial condition, not later than the fifteenth (15th) day of July 2023. The certificate of exemption from the insurance requirements of the Workers' Compensation Law will expire on the last day of August of each year, unless the certificate is sooner revoked or suspended by the South Dakota Department of Labor and Regulation, and the permit must be renewed annually through filing of an application and financial statements. It is understood however, that the employer, upon giving the required notice, may waive this exemption from the insurance.

If any employer wishes to avail itself of the insurance exemption of the Workers' Compensation Law, it must annually file with the South Dakota Department of Labor and Regulation, proof as to its solvency and ability to pay the compensation, benefits, and fees provided by the law, and must submit financial statements as required. If the proof submitted is satisfactory and a sufficient showing is made, the applicant will be granted permission to operate as a self-insured employer, upon making the required deposit of securities with the Department of Labor and Regulation. If, however, it is found from the statement and the proof submitted, that it does not have the financial capacity for the payment of such compensation, benefits and fees, no certificate of exemption will be granted.
