Funding

- Stevens Amendment Statement: The South Dakota On-Site Consultation program, at the time of initial publication of this document, is funded by a cooperative agreement for \$577,000 federal funds, which constitutes 90% percent of the program budget. Ten percent, or \$63,000 of the program budget, is financed through the South Dakota Department of Labor and Regulation.
- Award amended in FY24 year during the grant cycle. Our funding was needed to fund enforcement.

What to expect in 2026

- Sen. Tammy Baldwin (D-WI) noted that OSHA expects to conduct around 10,000 fewer workplace safety inspections this coming fiscal year than in FY 2024 (the most recent year for which data is available). The agency's [FY 2026 budget justification](#) states that the agency is expected to conduct nearly 25,000 inspections. OSHA conducted more than 34,600 inspections in FY 2024.
