

WORKFORCE PELL GRANT QUALIFYING OCCUPATIONS

In addition to the Governor's Strategic Designations, South Dakota has identified occupations that meet high skill, high wage, and in-demand as the labor market threshold for Qualifying Occupations under Workforce Pell.

If an institution would like to seek inclusion for a program not associated with an occupation identified on this list, it may submit employer validated evidence for consideration by the Governor or Secretary of Labor.

See the table on the next two pages for Standard Occupations.
