Workforce Knowledge Series

Discover opportunities and programs to help your business/organization.

How AI is Enhancing All Aspects of Employment from Hire to Retire

Thursday, Jan. 8 | 11:30 a.m. CST/10:30 a.m. MST | Microsoft Teams

Discover practical, easy-to-implement AI tools to streamline operations, support staff, and strengthen performance. We'll look at:

- Real-world uses of AI
- How AI affects the overall workforce
- The benefits and challenges of AI for people with disabilities
- The risks of using AI
- A simple roadmap to help businesses adopt AI responsibly and effectively
