

**Meet Agenda Item E and F**  
**WORKFORCE DEVELOPMENT COUNCIL**

**WIOA Title I Occupational Skills Training Policy 5.27**

***FUNDING***

*The maximum funding allowed for WIOA Title I OST is \$10,400 per training program as approved by the Workforce Development Council. This maximum funding total includes tuition and required fees.*

**Request for Funding Limit Change:**

Title One Adult, Dislocated Worker and Youth funding limits have remained the same for many, many years. Typically, in a program year (July 1 to June 30) there are enough funds to cover support services and training for individuals.

Since WIOA has been enacted and our goal is to enroll to the greatest extent, we are serving more people than ever before. In order to stretch our dollars, DLR is requesting the maximum funding allowed for WIOA Title I OST be changed from \$10,400 per training program to \$8,000 per training program.

The Youth program funding limit would remain as it currently is at \$10,400 per program.
