

SDWORKS and mySD Registration

INTRODUCTION

SDWORKS has been integrated with the mySD (South Dakota Citizen Portal). This affects how individuals, employers and training providers log in to SDWORKS to access their profile/information.

You can still login in from the same starting points as before (e.g., dlr.sd.gov or southdakotaworks.org) or from the mySD portal once linked.

Once at southdakotaworks.org, click on the Login/Register using mySD button at top right corner. This will take you to the mySD Login screen so you can start the process of linking your account.

Linking your SDWORKS account to mySD

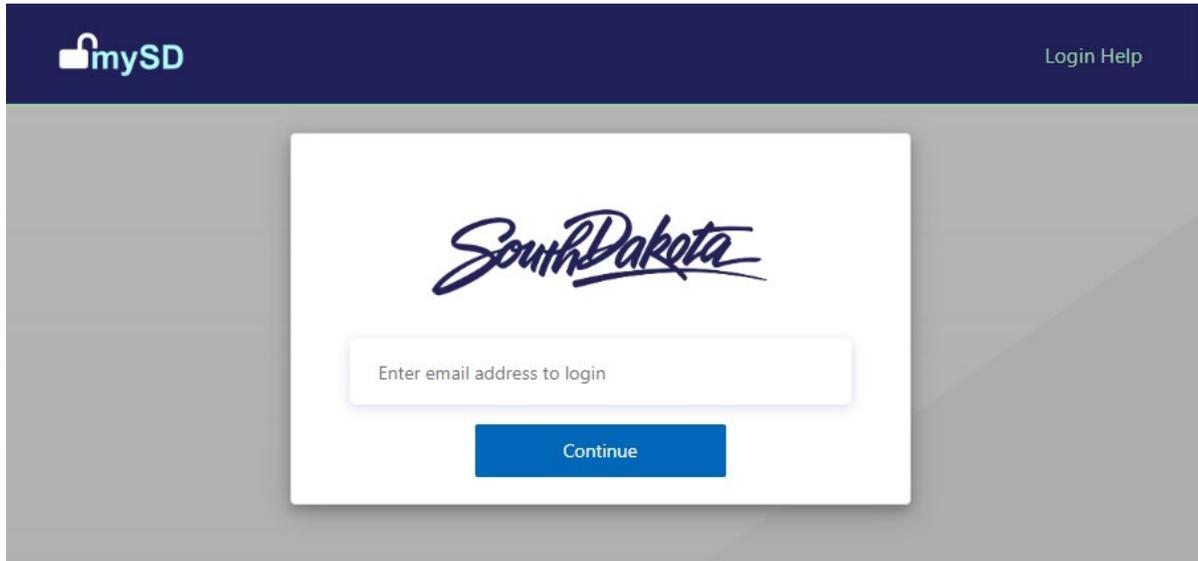

To login or register as an individual job seeker, select 'Individual'

CREATING A MYSD PROFILE/LOGGING IN TO MYSD

The following pages will walk through the process of linking your mySD profile with your SDWORKS profile. **You may also refer to the Login Help link at the top of the mySD login screen for assistance.** If you need **additional help creating your mySD account**, you can receive assistance by [chat or phone](#).

If you already have a mySD profile, you can go to [Linking Your Accounts on Page 5](#).

REQUIREMENTS FOR A MYSD LOGIN PROFILE:

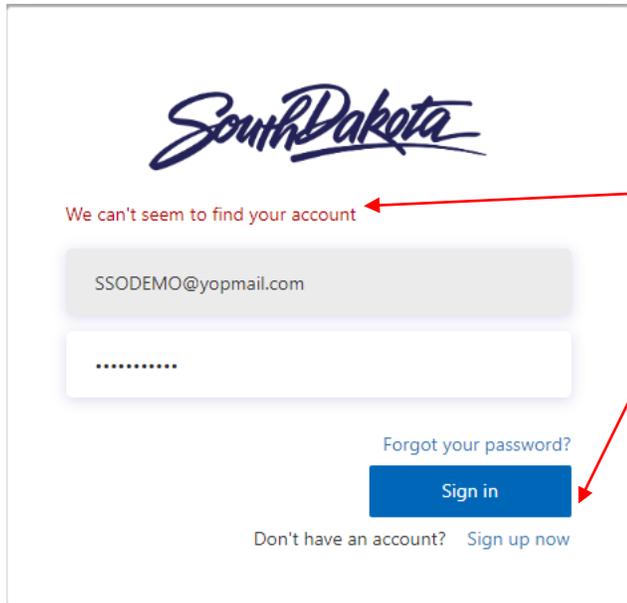

- The email address must be valid for verification purposes.
- Users cannot share an email address. Each user profile must have a separate, valid email address.
- When creating an account, the user will need access to the following:
 - Email account provided on login screen to receive and verify authentication code.
 - Access to a valid phone number to verify authentication by either:
 - Text message with authentication code (via cell phone).
 - Automated audio call (via cell phone or landline).

UNSURE IF YOU HAVE A MYSD ACCOUNT?

If you are unsure if you have an account:

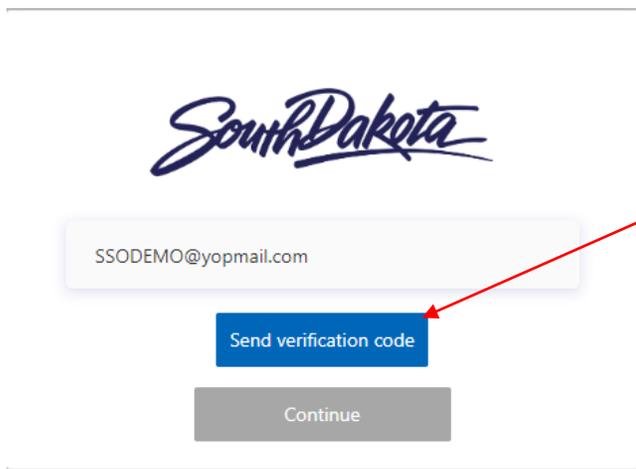

Enter the email address you are unsure about and click 'Continue'.

Enter the password for your email address and click the 'Sign In' button. If you see the message your password is incorrect, click the 'Forgot your password?' link.

If you receive the message 'We can't seem to find your account', then you will need to create an account.

On the bottom right section of the window, Click the 'Sign up now' link.

With either selection, the user will need to enter an email address to send an authentication code.

Click the 'Send verification code' button.

Go to your email and check for a message from 'donotreply@state.sd.us'.

Verification code has been sent to your inbox. Please copy it to the input box below. Check your email in a new browser tab or window. Do not leave this page or the code will not work.

Enter the phone number and click either the 'Send Code' or 'Call me' button.

- If 'Send Code' is selected, the system will send a text message to your cell phone with an authentication code.
- If 'Call Me' is selected, you will receive an automated call to your cell phone or landline with instructions on how to proceed.

Now that you have your mySD Profile, you can link it to your SDWORKS account.

LINKING YOUR ACCOUNTS

Once you have created/have logged into your mySD profile, if you are not taken into SDWORKS directly, simply return to southdakotaworks.org and click on the Login/Register button again. Select Individual, Employer or Training Provider.

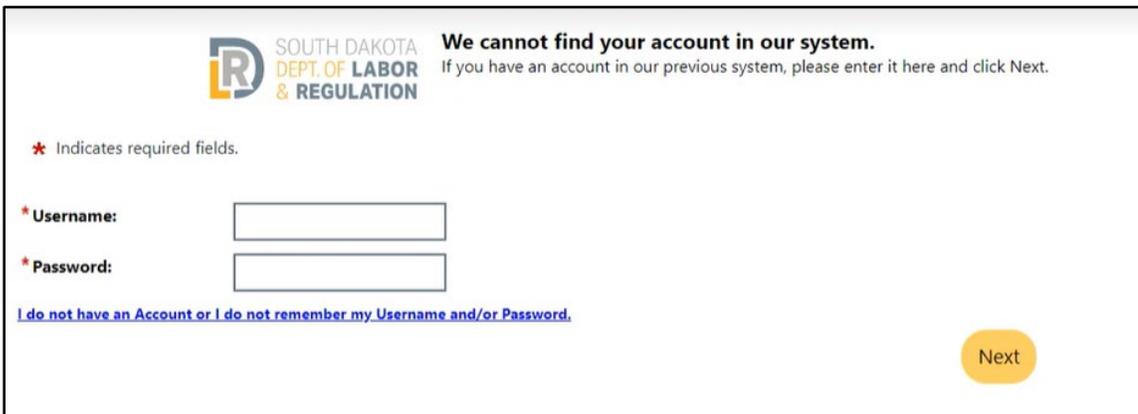

IF YOU DO NOT HAVE AN SDWORKS ACCOUNT

If you have not previously created an SDWORKS account, [see Page 10](#)

FOR THOSE WHO HAVE SET UP A MYSD ACCOUNT AND HAVE AN SDWORKS ACCOUNT

If you already have an SDWORKS account, enter your old username and password used previously. The system will search to connect your mySD account to your SDWORKS account.

If you do not remember your username and password, [see Page 7](#).

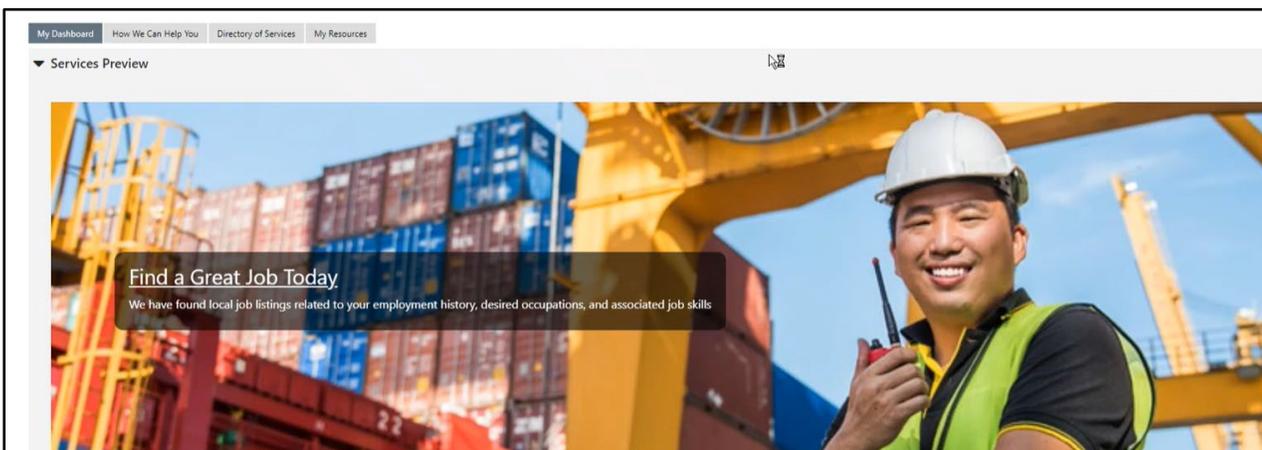

The screenshot shows a login page for the South Dakota Department of Labor & Regulation. At the top left is the logo with the letters 'R' and 'L'. To the right of the logo, it says "SOUTH DAKOTA DEPT. OF LABOR & REGULATION". The main heading is "We cannot find your account in our system." Below this, it says "If you have an account in our previous system, please enter it here and click Next." There is a note: "* Indicates required fields." Below that are two input fields: "* Username:" and "* Password:". At the bottom left, there is a link: "I do not have an Account or I do not remember my Username and/or Password." At the bottom right, there is a yellow "Next" button.

If successful, you will be returned to the SDWORKS homepage, and it will appear as if nothing has happened. This is correct. **Click on 'Login/Register using the mySD button' and select your usertype.**

This should take you directly to your SDWORKS dashboard.

From this point forward, your mySD Profile and SDWORKS profile are linked.

You should now be able to log in to SDWORKS using only your mySD login credentials.
