RE-EMPLOYMENT SERVICES CLAIMANT EXEMPTION

South Dakota requires Reemployment Assistance (RA) claimants to file weekly requests for payment to receive their RA benefits. Some claimants are required to participate in Re-employment Services (RES) with their local DLR job service offices. In South Dakota, claimants who have a return-to-work date with the same employer will not be required to participate in the RES program.

My signature below indicates:

- I am a claimant who will be returning to the same employer where I was temporarily or partially laid off from.*
**This must be confirmed in writing by RA Customer Service OR the employer*
- I understand that I am required to follow the RA guidelines and continue to work cooperatively with the RA Division for the remainder of my claim. The publication can be found at <http://dlr.sd.gov/ra/publications/pam247.pdf>.
