Based on the findings of the joint examination of the Bank as contained in the February 27, 2023, Report of Examination (Report of Examination), the FDIC and the South Dakota Division of Banking (collectively Supervisory Authorities) determined the requirements for an order under 12 U.S.C. § 1818(b) and South Dakota Codified Laws 51A-2-25 and 51A-2-26 have been satisfied.

The Bank, by and through its duly elected and acting Board of Directors (Board), has executed a “Stipulation to the Issuance of a Consent Order” (Stipulation), dated August 3, 2023. With the Stipulation, the Bank has consented, without admitting or denying any charges of unsafe or unsound banking practices or violations of law and/or

The Board shall monitor and confirm the completion of actions taken by management to comply with the terms of this ORDER. All actions taken by the Board pursuant to this ORDER shall be duly noted in the minutes of its meetings. The Board shall ensure the Bank has sufficient processes, personnel, resources, and systems to effectively implement and adhere to all provisions of this ORDER.

**2. Assessment of Management.**

(a) The Bank must have and retain qualified management. Each member of management is required to have the qualifications and experience commensurate with assigned duties and responsibilities at the Bank. The Board must provide management the appropriate written authority to implement the provisions of this ORDER.

Within 45 days from the effective date of this ORDER, the Board must engage an independent third party consultant (Consultant) and provide documented due diligence analysis to the Supervisory Authorities to support that the selected Consultant possesses the appropriate expertise and qualifications to analyze and assess the Bank's management and staffing needs, management's performance, appropriateness of management compensation, and management's ability to: (i) comply with the requirements of this ORDER; (ii) comply with applicable laws and regulations; (iii) restore all aspects of the Bank to a safe and sound condition; and (iv) operate the Bank in a safe and sound

manner. Prior to engagement of any Consultant, a copy of the Consultant's proposed engagement letter and a description of the Consultant's expertise and qualifications must be provided to the Supervisory Authorities. The engagement must require that the Consultant's analysis and assessment (Consultant's Study) be summarized in a written report to the Board within 90 days of the date of the engagement letter. The contract or engagement letter, at a minimum, must include: (i) a description of the work to be performed under the contract or engagement letter; (ii) the responsibilities of the Consultant; (iii) identification of the specific procedures to be used when carrying out the work to be performed; (iv) the qualifications of the Consultant employee(s) who are to perform the work; (v) a provision for unrestricted access by the Supervisory Authorities to the Consultant's workpapers; and (vi) a statement that the Consultant is not affiliated in any manner with the Bank.

(b) Within 30 days of receipt of the Consultant's Study, the Board must prepare an acceptable written management plan (Management Plan) that: (i) identifies and addresses the findings of the Consultant's Study; (ii) presents a plan of action in response to each recommendation from the Consultant's Study, and a time frame for completing each action; (iii) identifies and describes the type and number of officer positions needed to manage and supervise the affairs of the Bank, and details any vacancies or additional needs; (iv) identifies the appropriate level of current and deferred compensation to each officer position; (v) documents a procedure to ensure compliance with 12 U.S.C. § 1831i (Section 32 of the Federal Deposit Insurance Act), when applicable, regarding changes/additions in directors and senior executive officers of the

Bank; and (vi) establishes procedures to review and update the Management Plan at least annually from the effective date of this ORDER.

(c) A copy of the Consultant's Study and Management Plan and any subsequent modifications thereto must be submitted to the Supervisory Authorities for review and comment. Within 30 days from receipt of any comment from the Supervisory Authorities and after consideration of such comments, the Board must approve the Management Plan and record the approval in its minutes. Thereafter, the Board must ensure that the Management Plan is fully implemented within the specified time frames and provide documentation of management's progress towards implementing the Management Plan in all progress reports required under this ORDER. In the event the Management Plan, or any portion thereof, is not implemented, the Board must immediately advise the Supervisory Authorities, in writing, of specific reasons for deviating from the Management Plan.

**3. Strategic Plan.**
